EDUCATION

Thakur College of Engineering & Technology (TCET) 2025 – 2027
Master of Computer Applications (CGPA: 9.8) – Mumbai University *Mumbai, Maharashtra*

Seth Vishambhar Nath Institute Of Engineering & Technology 2023 – 2025
Bachelor of Computer Applications (BCA: 79.9%) – Dr. Ram Manohar Lohia Awadh University *Lucknow, Uttar Pradesh*

JN Smarak Inter College 2020 – 2022
High School (75.5%) & Intermediate (76.6%) – UP State Board *Gonda, Uttar Pradesh*

CORE SUBJECTS

- Data Structures & Algorithms
- Object-Oriented Programming
- Operating Systems
- Computer Networks
- Artificial Intelligence & Machine Learning
- Database Management System (DBMS)

TECHNICAL SKILLS

Languages: Java, C, SQL
Backend: Core Java, Spring Boot, JDBC, REST APIs, JWT Authentication
Frontend: HTML5, CSS3, JavaScript, AJAX, React.js
Databases: MySQL, PostgreSQL
Tools: Git, GitHub, VS Code, Postman, GitHub Copilot

PROJECTS

EVC Ward – EV Charging Station Platform | HTML, CSS, JavaScript, Spring Boot, JWT, MySQL *2026*

- Developed a full-stack EV charging platform using Spring Boot and MySQL.
- Implemented JWT-based authentication for secure login and authorization.
- Designed and integrated RESTful APIs for frontend-backend communication.
- Connected the application with MySQL to store and manage user and charging station data.
- Implemented role-based access to provide different features for different types of users.

TCET Specialization Tracker | HTML, CSS, JavaScript, PHP, AJAX, MySQL *2026*

- Contributed as part of a team in developing a web-based specialization tracking system, enabling efficient management of student specialization selection and academic records.
- Built dynamic frontend and backend modules using PHP, JavaScript, AJAX, and MySQL, improving data processing, real-time updates, and overall system usability.
- Implemented database operations to add, update, and retrieve student specialization records.
- Designed user-friendly interfaces for students to easily select and manage their specialization details.

Real-Time Chat Application | Java, Socket Programming *2025*

- Built a real-time messaging application using Java Socket Programming for client-server communication.
- Implemented multi-user communication and message transfer functionality.
- Handled multiple client connections to support simultaneous communication between users.
- Managed socket-based message exchange between clients and the server.

EXPERIENCE

eMarketters | *SEO Intern* *Mar 2024 – Sep 2024 (6 Months)*

- Conducted keyword research and backlink building to improve website ranking and online visibility.
- Implemented on-page and off-page SEO strategies to improve website traffic and user engagement.

ACHIEVEMENTS & EXTRACURRICULAR

- 3rd Runner-up – BUILD BATTLE Coding Event 2026.
- Selected for the Zonal Round of the 20th Aavishkar Research Convention, University of Mumbai.
- Volunteered in Ekal Future during Mahakumbh, Lucknow – community service activities.

CERTIFICATIONS

- Java Concepts – ON (Infosys Springboard) 2026
- SQL Course – ON (Skill Course) 2026
